

Once you have the **Discount Authorization** from the organizer (sent by email once the registration is confirmed), you may purchase your AVE (high-speed train) tickets online with an 30% discount from the Renfe website (<http://www.renfe.com/>) following next steps:

1. Select the departure and arrival for the event you wish to attend and the travel dates, always within the period of the event.

The image shows a screenshot of the Renfe website's booking interface. The top navigation bar includes the Renfe logo and a language selection menu with 'Welcome' circled in red. Below the navigation bar are tabs for 'CARS', 'HOTELS', 'TRAIN + HOTEL', 'TRAIN + LEISURE', and 'TRIPS'. The main booking form is divided into several sections: 'DEPARTURE' (MADRID (TODAS)) and 'DESTINATION' (ZARAGOZA (TODAS)); 'JOURNEY DATE' and 'TIMES' (DEPARTURE: 09/09/2019, RETURN: 14/09/2019); 'ADULTS' (1), 'CHILDREN 0-13' (0), and 'CHILDREN <4' (0); 'TYPE OF PASSENGER' (+RENFE JOVEN 50: 0, TARJETA DORADA: 0); and 'PROMOTIONAL CODE'. A large purple 'BUY' button is at the bottom. Annotations include a red box around the language menu with the text 'Click here to change to English', a red box around the departure and destination fields with the text 'Select travel cities and dates', and a red box around the 'BUY' button with the text 'Click here to go next step'. Blue arrows point from the text boxes to the corresponding elements on the page.

2. In the list of trains, chose one of them, click on the **More purchase options** link and select **Flexible**. Then click on the “next” button and repeat this step for the returning AVE train.
